

Chini SETAREH Zayandehroud

■ INTRODUCTION

In 1380, based on local knowledge and compliance with the modernity as the only manufacturer in the province we started.

Setareh Zayanderood factory placed an area of 10,000 square meters and located in Mobarake industrial Zone, After four years of effort, we were able to achieve a capacity of 3,000 tons per year.

Over the past decade, focusing on four principles key that are integrity, customer-oriented, knowledge-based and matching technology with Iranians taste have been able to strengthen its position in the domestic and foreign markets.

We are proud that both research team & professional administrative staff meet part of our social responsibility to our dear consumers.
